

# Autism Awareness Family Celebration

Drop in between 9:00 and 11:00 a.m. to enjoy the DMA before public hours.

## Be a *Space Explorer* at the Museum Today!

### Art Studio: Space Exploration Stations

9:00 - 11:00 a.m.

Let your imagination take flight with multi-sensory art explorations, including discovering your own planet, exploring moon sand, creating wearable solar system art, and more!

### Fleischner Courtyard

9:00 - 11:00 a.m.

Explore our outside space with activities from TWU Occupational Therapy students!

### C3 Theater: Interactive Musical Performance

10:00 - 10:30 a.m.

Experience an interactive performance with our music therapist, Diane Powell!

### StoryART in the Galleries: Meet at C3 Entrance

10:30 - 11:00 a.m.

Blast off and experience works of art with intergalactic stories in the galleries! Limited to the first 20 kids; tickets available at the C3 entrance before tour begins.

### Teen Tour in the Galleries: Meet at C3 Entrance

11:00 - 11:30 a.m.

Explore out-of-this-world artwork in this interactive tour for space explorers age 13 and up!

### C3 Gallery and Art Spot

9:00 - 11:00 a.m.

Explore works of art in the Center for Creative Connections, then use a variety of materials to make a work of art at the Art Spot!

### Meet Arturo in the C3 Gallery

9:00 - 11:00 a.m.

Meet our family mascot, Arturo! Arturo is based on a ceramic vessel from Peru that is more than 1,000 years old and was probably inspired by the colorful macaws of South America.

### Arturo's Nest

9:00 - 11:00 a.m.

Drop in and explore Arturo's Nest, our space designed for visitors age four and under and their families.

### Tech Lab: TWU Sensory Room

9:00 - 11:00 a.m.

Relax and explore quiet activities and therapy tools in the TWU Sensory Room.

### Young Learners Gallery

9:00 - 11:00 a.m.

Explore all kinds of lines in the newly redesigned Young Learners Gallery!

### C3 Center Space

9:00 - 11:00 a.m.

Stop at the informational tables in C3 to learn more about resources available for families with children on the spectrum.
